Dear Steve,

International 2.4m Class Association - Constitution

This letter is to formally acknowledge the International 2.4m Class Association Constitution which was submitted to ISAF in 2012 and 2013. It is noted that the Constitution was approved by the 2.4m Class Association AGM and for the record World Sailing confirm approval of the Constitution dated 2013-09-08.

World Sailing also confirms:

- the selection of the 2.4m Norlin MkIII OD for use as the single-person technical equipment for Para Sailing,
- support for the Para World Sailing Championship using 2.4m Norlin MkIII OD and Functional Classification as part of the 2.4mR Open World Championship

the Class Association are encouraged to :

- refine and tighten the technical requirements for the 2.4m Norlin MkIII OD
- continue the promotion of inclusive events and increase participation especially in view of the IPC application to be reinstated the LA2028 Paralympic Games that will start at the end of 2021.

Yours sincerely

Simon Forbes
